**Melissa B. Gutierrez**  
Principal

**Griselda Marchan**  
Dean of Instruction

**Ernie Vela**  
Assistant Principal

## 2021-2022 Standardized Dress Code:

**Note: Unfortunately, Villa Nueva Elementary will not be selling uniforms this year. The only reliable company requires a minimum order that our school is just too small to fulfill.**

**Uniform tops and pants may be purchased at Walmart, Target, Khol's, the Children's Place and many other local retail stores.**

**Most embroidery businesses have our logo if you wish to have the logo stitched onto the shirt. This is not required.**

**Spirit Shirts will be available for order soon.**

Allowable: Top: Royal Blue Polo Style Shirt, White Polo Style Shirt, Gray Polo Style Shirt, Spirit Shirts, Jackets/Sweaters **with no attached hood**. Bottom: Navy, Khaki, or Dark Blue Denim Shorts, Skirts, Skorts, Jumpers, Pants

Not Allowable: No Tights as Pants; No Short Shorts or Short Skirts; No Ripped, Torn, Tattered, Faded or colored Pants/jeans; **NO HOODIES**

### **Reminder about Hoodies:**

**Hoodies have become a major distraction to instruction on our campus. Students are using their hoodies to hide their faces, as a distraction to not pay attention in class, to try to not be noticed falling asleep in class and to hide the unauthorized use of headphones in class.**

Because it has caused such a disruption to the instructional process on our campus and have led to many discipline issues both outside and inside the classrooms **HOODIES ARE STILL NOT ALLOWED ON CAMPUS for the 2021-2022 school year**. Hoodies will only be allowed on cold school days (weather 69° and below) and the hood will only be allowed to be used while outside.

A sweater or jacket **without** an attached hood may be brought on a daily basis to be used in the classroom just in case your child gets cold.

Our students' instruction and the assurance that there are no outside distractions from their education is one of our top priorities.
