Comprehensive Needs Assessment

Revised/Approved: November 23, 2021

Demographics

Demographics Summary

The student population at Villa Nueva Elementary School is approximately 440 as of PEIMS Snapshot (October 25, 2019) and serves students in grades Pre-K 3 through Fifth Grade. According to the 2018-2019 TAPR Report of our campus profile, student population includes: Hispanic 98.6%, White 1.1%, Asian 0%, African American 0%, Economically disadvantaged 92.6%, Limited English Proficient (LEP) 43.1%, At-Risk 61.4%, Migrant <1%, Gifted and Talented 1.0%, Special Education <1%. Attendance Percentage for the 2017-2018 school year was 95.8% for all students and 95.7% for at-risk students. Currently, the average class size is 22:1 for K-4th grade and 27:1 for PK & 5th grade.

Demographics Strengths

- Administrative and Teacher support.
- ELL student placement into the Bilingual Program within the 20 day period
- Using Bilingual Funds for LEP students to target English Language Proficiency
- Stage 0 in the PBMAS (Performance-Based Monitoring Analysis System) Report of Bilingual
- TIER II Interventions for At-Risk, LEP, Economically Disadvantaged and Migrant students
- State Compensatory funding for At-Risk Students to fund tutorials that target students' academic needs in the content areas
- RTI plans updated every six weeks.
- Teacher monitoring and tracking of student progress

Need Statements Identifying Demographics Needs

Need Statement 1 (Prioritized): Need to increase our daily attendance average to meet the 97.5% district requirement. **Data Analysis/Root Cause:** Students are not meeting district attendance goals as per PEIMS attendance reports

Need Statement 2 (Prioritized): Need to continuously identify, monitor and assess students to ensure continuous support and provide supplies that are necessary for students to be academically successful. **Data Analysis/Root Cause:** Teachers need to provide students the right tools to help them succeed.

Need Statement 3 (Prioritized): Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data**

Analysis/Root Cause: Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 4 (Prioritized): Need to continue offering after-school At-Risk tutorials. **Data Analysis/Root Cause:** The 2018-2019 STAAR Results showed we had the following passing "Approaches" percentages for 3rd-5th grade At-Risk students: STAAR Mathematics 61% and STAAR Reading 63% .

Student Learning

Student Learning Summary

At Villa Nueva, the desegregation of students' assessment data is critical for students' academic success. We have weekly grade-level meetings, teachers and Dean of Instruction analyze assessment data to plan for instruction. We have co-planning every six weeks between regular education, dyslexia, and Special education teachers. The RTI team meets every six weeks to monitor students' academic progress. Students have ongoing progress monitoring participating in extracurricular activities.

Student Learning Strengths

Tutorial and Extended Day Enrichment program offered to help close the performance gaps between Special Education, Bilingual, and At-

- Risk students in the areas of Reading and Writing at all grade levels
- Vast opportunities for students to participate in Extra-Curricular Activities such as Chess, UIL, Science Fair, Spelling Bee, Coding Club, Volleyball, Running club, and Basketball.
- PK3 and PK4 program offered
- Student/Teacher ratio
- UIL 2nd Place

Need Statements Identifying Student Learning Needs

Need Statement 1 (Prioritized): Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...) **Data Analysis/Root Cause:** Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.

Need Statement 2 (Prioritized): Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data Analysis/Root Cause:** Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 3 (Prioritized): Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Need Statement 4 (Prioritized): Need to purchase and provide general and supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** To create campus/district assessments, campus literacy initiative workbooks, replace consumable workbooks, have rigorous resources that are aligned with State requirements (TEKS).

Need Statement 5 (Prioritized): Need to provide general education teachers with vertical and horizontal planning time once every six weeks to prepare lessons and improve teaching methods. **Data Analysis/Root Cause:** Closing the curriculum gaps between grade-levels.

Need Statement 6 (Prioritized): Need to continue recognizing and rewarding student accomplishments by purchasing and providing the students with certificates, trophies, prizes, shirts, celebrations and ceremonies. **Data Analysis/Root Cause:** To motivate students to continue learning and encourage them to strive for success.

Need Statement 7 (Prioritized): Need to continue offering Extended Day Enrichment Program classes for all students. **Data Analysis/Root Cause:** Students have the opportunity to continue their learning through enriched lessons, use of content specific online software and homework assistance.

School Processes & Programs

School Processes & Programs Summary

School Processes & Programs Summary

In an effort to include all stakeholders for Villa Nueva Elementary, there are weekly parent meetings, weekly grade level meetings, and an SBDM committee that meets at least once a month. These groups which integrate all levels of individuals from all aspects of the community including data from state assessments and from the campus needs assessment surveys helps determine the needs for the campus. These decision making groups use data to help decide what needs are being met and what is still necessary.

Weekly grade-level curriculum meetings are held. Teachers' implement the district's curriculum and supplement it with additional resources addressing state assessment expectations. Weekly assessments, campus, and district benchmarks are used to measure student achievements. We analyze TPRI/Tejas Lee, TELPAS, and STAAR data to plan for instruction. We also conduct data analysis of Progress Monitoring in order to provide students with the instruction necessary during In-house and after school tutorials for At-Risk students. Instruction is based on the TEKS in order to prepare our students for State Assessments. Teachers are monitored with weekly classroom observations. Master Schedule in place maximizing the time for student instruction.

English Language Arts

Using data from state assessments, benchmarks, and report cards, it was determined that a robust intervention for ELA be implemented using both textual and digital methods. The textual implementation of said interventions included district purchased textbook adoptions, Writing Academy Training, Think Up by Mentoring Minds, and also a commitment to the consistent use of Accelerated Reading program to create an opportunity for the students to read on topics of self-interest. All these interventions were done following the new and revised English Language Arts Texas Essential Knowledge and Skills criteria mandated from the state.

Mathematics

Using data from state assessments, benchmarks, and report cards, it was determined that a robust intervention for Mathematics be implemented using both textual and digital formats and increased teacher professional development to ensure teacher growth. The textual implementation of said interventions included the district purchase textbook adoption and the Sharon Wells Math Program. The digital implementation of Imagine Math, Education Galaxy, and Prodigy was used to increase student outcomes when being measured through state assessment, benchmarks and six weeks report cards.

Science

Due to a lack of reliable data to measure student outcomes in science, it was pertinent that the campus implements interventions within other content areas to help supplement the fifth-grade science curriculum. This fifth-grade need put the campus in a position to look at software that could not only be used for science but also as a means to supplement our 2nd thru 5th grade ELA. The software in question was called Summit K-12 and it was used as a means to provide informational reading material to said grade levels.

Social Studies

Villa Nueva Elementary made it a point to integrate social studies lessons throughout its curriculum to ensure a constant flow of social studies topics. Materials used to implement this curriculum included but was not limited to the district purchased Pearson textbook, Social Studies Weekly newspapers, Brain Pop, and other digital formats.

Technology Summary

We have a Cart with tablets available on a daily basis for our Pre Kinder and Kinder students. We have three Computer Carts available for our fifth-grade classrooms. Third thru fifth-grade students use Education Galaxy, Imagine Math, Summit K-12, and Lexia Core. Kinder to Second-grade students use Brain Pop, Imagine Math, Education Galaxy, and Lexia Core on a regular basis. Each fifth-grade student has his own laptop computer. Eduphoria, Aware, Tango Trends are available for testing and data analysis.

School Processes & Programs Strengths

- Certified Teachers with bilingual certificates and continued essential professional development.
- After school tutorial programs for At-Risk students & Extended Day Program
- Weekly Grade Level curriculum planning & Data Analysis
- Monthly Faculty Meetings for Professional Development
- Monthly SBDM Meetings in which SBDM members actively participate the campus making decisions
- Every classroom is equipped with the essential technology equipment to provide students with the most current information.

Perceptions

Perceptions Summary

Perceptions Summary

At Villa Nueva, administrators and teachers analyze the school culture and climate to ensure that our students are provided with a structured and disciplined environment. The environment includes respect for all including faculty and staff along with our students and parents. In an effort to ensure continued support, administration makes it a point to have an open door policy and give individuals an opportunity to provide informal commentary, suggestions, and ideas under consideration for any decisions being made on campus. For a more formal setting, SBDM meetings are held on a monthly basis. Members are asked to bring up issues and concerns, in order to maintain a clean, safe, and disciplined environment. Campus safety issues, policies, and procedures are addressed in order to create a plan to improve issues that affect School Culture and Climate.

We encourage parents and the community to be involved in students' education. Parents are always welcomed at Villa Nueva Elementary, where we communicate with them in their native language. Parents have easy access to administrators. We offer the 3yr old program and there is a positive environment in every classroom. Parents were given a survey, answers were analyzed and discussed to promote parental involvement for the 2019-2020 school year. SBDM uses parent input from the survey to determine campus needs to increase attendance rates, parental involvement, parent and community member volunteer opportunities

Perceptions Strengths

- Weekly Grade Level Meeting
- Monthly Faculty Meetings
- SBDM Meetings
- Campus Teacher Appreciation
- Weekly Parental Involvement meetings.
- Nurse on staff to help students and provide a presentation on personal hygiene.
- Promote school uniforms.
- Parents are invited to award ceremonies every six weeks
- Communication with parents in their native language.
- All day PK3 & PK4 program.
- Keep parents informed of upcoming events.
- Parents work on instructional materials for teachers

Need Statements Identifying Perceptions Needs

Need Statement 1 (Prioritized): Need to continue general campus upkeep including but not limited to daily sanitizing of facility to ensure cleanliness. Upkeep will also include replacing student and faculty furniture. **Data Analysis/Root Cause:** Address COVID-19 health concerns. The number of maintenance work orders completed by campus.

Need Statement 2 (Prioritized): Need to continue procedures and activities that maintain and/or improve the students' overall physical and mental well being and also provide the resources/materials students need to continue their distance learning. **Data Analysis/Root Cause:** Address COVID-19 needs & concerns. According to the 2019 - 2020 Parent Campus Needs Assessment (CNA) Survey several parents responded that they would like for the campus to offer more sport programs.

Need Statement 3 (Prioritized): Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Based on parents conference attendance, parent meeting attendance and volunteer rosters our parental involvement has decreased from year to year.

Need Statement 4 (Prioritized): Need to provide stipends and campus recognition activities for faculty and staff to increase the morale and reduce the turnover of highly qualified teachers. **Data Analysis/Root Cause:** Staff recognition needs to increase based on the 2019-2020 CNA Staff Survey "Additional Comments".

Need Statement 5 (Prioritized): Need to decrease disciplinary incidents, and bullying. **Data Analysis/Root Cause:** Based on the number of eSchool Disciplinary reports, and counselor student log
